

Our digest is widely shared among Ukraine's top Authorities, including Cabinet of Ministers, PACE, NATO, OSCE, IPU delegations and embassies, as well as foreign diplomats and MPs.

### Russian Army manpower losses as of May 30: 30, 350

#### MFA: Ukraine fed up with separate models for its EU integration

Ukraine was fed up with "special solutions" and separate models for its integration into the European Union, Ukraine's Foreign Minister Dmytro Kuleba has said. "We need a clear legal affirmation that Ukraine is a part of the European integration project, and such an affirmation would be the granting of candidate status," he said.
